

Regular Drop-off/Pick-up Pattern

Camp Arena Stage Drop-Off /Pick-up Guidelines

- Place your pass on your dashboard
- Form a lane as far to the right as possible upon passing the security guard's booth.
- Follow the pattern marked on this map. Staff members will direct you.
- Please drop-off and pick-up only in the drop-off/pick-up zone. We don't want campers crossing the street in traffic.
- Please remind your camper to wait until a staff member opens their car door.
- Please keep the flow of traffic moving as much as possible. There is no parking on the roadways during drop-off and pick-up. Please stay in your car.
- Please be patient! Safety, not speed, is the first priority. By the third day of camp, everyone will be drop-off/pick-up pros.
